なおななな Best value option for this Gel, October 4, 2007

By Jeremy M. Crawford See all my reviews

REAL NAME"

I have used this Gel for years. I highly recommend it. I had switched from the long haul. Use it with wet hair to get and keep the wet look, or use it American Crew to this, and this one holds up much better, especially for on dry hair to avoid the wet look. The pump size is the best deal for the money, and the pump works pretty well till the very end.

This is THE best hair gel out there. Great hold, not oily or greasy. Washes off your hands with no problems. I have tried every gel out there and I keep coming back to this one. I buy it here because it's hard to find in stores
